

Pak Petrochemical Industries (Pvt) Ltd.

ENERGY POLICY

Pak Petrochemical Industries (Pvt.) Ltd. is a polystyrene manufacturing organization producing general purpose polystyrene (GPPS), high impact polystyrene (HIPS) & expandable polystyrene (EPS).

To ensure safe and conducive work environment, the Pak Petrochemical Industries (Pvt.) Ltd. Karachi is committed to the following measure:

Pak Petrochemical Industries (Pvt.) Ltd. is committed to:

- ❖ Provide the necessary resources and information system to ensure the set of targets and objectives are met. This includes an effective data collection system.
- ❖ Compliance with all energy management laws, regulations and codes of practice in existing operations, upgrades and new developments.
- ❖ Purchasing energy efficient products & services and designing for energy performance improvements.
- ❖ Continually improving our overall energy performance by cutting out wasteful use of energy, improving energy efficiency.
- ❖ Consider opportunities to improve energy performance and implement operational controls within the design of new or renovated SEUs (Significant Energy use) and incorporate the results into specifications, design and procurement activities.
- ❖ Maximize energy performance, reduce operating expenses and increase shareholder value by actively and responsibly managing energy consumption.
- ❖ Demonstrate commitment to our community and leadership in our industry by reducing the environmental impacts associated with energy use.
- ❖ Operating practices that seek to minimize impacts through work and management practices, continual improvement, training and the use of new technology and services
- ❖ Improve employee awareness and encouraging the sharing of experiences and expertise.

Pak Petrochemical Industries (Pvt.) Ltd. will endeavor to meet or exceed an energy management target in reducing energy consumption and improving energy performance.

Review this policy for continual improvement to ensure suitability, adequacy, and effectiveness of EnMS.

This policy is communicated, understood, and applied at all levels of the organization and is made available to all interested parties.

Revision Date: 07-03-2026- Rev # 01
